Re: *United States v. Simon Goldbrener, et al.*, 18 Cr. 614 (KMK)

Dear Judge Karas,

On November 7, 2022, the Court sentenced Mr. Goldbrener, *inter alia*, to a term of 24 months' incarceration. The Court indicated that it would recommend that his sentence be served at Otisville, and directed that he report by January 31, 2022.

Upon Mr. Goldbrener's review with his family and his personal reflection, they believe that it is best to confront and conclude his incarceration as soon as possible, in order to begin the next stage of their lives.

We respectfully request that the Court issue the judgment of conviction at its earliest convenience, to enable the Bureau of Prisons to begin Mr. Goldbrener's inmate designation process and facilitate his reporting on an earlier date.

Thank you for Your Honor's consideration of this request.

Respectfully submitted,

/s/Jacob Laufer
